

**Rules for the
Archbishop John Carroll KIRBY BINGO RAFFLE**

1. All Plots are randomly selected.
2. One “KIRBY” will be turned out to pasture on **May 16, 2008**. A random starting position will be selected prior to the beginning of the event. The event will continue until a prize has been won in accordance with these rules.
3. The prize to be awarded will be won by the dog “dropping a true plop”, as defined below, in a plot of land which has been sold.
4. The first “true plop” to land in a plot of land which has been purchased will be awarded first prize. In the event the first qualifying “true plop” occurs on an un-purchased square, the first sold plot immediately north will be deemed the winner; if impossible, it will shift east to the first sold plot; if impossible, it will shift south to the first sold plot; if still impossible, it will shift west to the first sold plot.
5. If a “true plop” drops on the borderline of two or more plots, the prize to be won will not be shared among the owners of the plots involved. Rather, the entire prize will be won by the owner of the plot where the majority of the “true plop” drops.
6. The judges will determine whether a dropping qualifies as a “true plop” and all other issues from the conduct of this event and the application of these rules. The decision of the judges is final and indisputable.
7. Once the dog is turned out to the pasture, no one may enter the field. Cheering will be permitted as well as encouraged.
8. Plot owners need not be present to win.
9. A maximum of 7,000 plots will be sold.
10. All proceeds will benefit Archbishop John Carroll High School Activities Program.
11. Archbishop John Carroll reserves the right to cancel the Kirby Bingo Raffle and refund all money for plots purchased, if no more than half the plots have been sold prior to **8:00AM on May 15, 2008**.
12. Each student has a goal of selling 6 deeds, but may sell more. The highest seller receives a prize.
13. Any student who reaches the personal quota will have Monday, May 19th as a free day.
