

SCRIP PROGRAM AT CARROLL

WHAT IS SCRIP?

Scrip is an easy way to turn everyday shopping into savings off your tuition when you use retail gift cards (instead of the usual credit/debit card or other money) to pay for everyday purchases like gas, groceries, restaurants, and other services.

The Basics of a Scrip Program

- Parents buy retail gift cards through your scrip program at face value.
- They choose from nearly 400 national retail stores where they already shop. Full list attached or can be seen on shopwithscrip.com.
- There are three ways to purchase your scrip. Parents receive **90% of the rebate listed for the retailer to be credited to their tuition.**
- Savings begin right away!

HOW TO ORDER

GIANT is available at Carroll. For all other stores, restaurants, etc. follow the instructions below to use shopwithscrip.com. There are three easy ways to order:

1. **Traditional Paper Order Form** – Use the attached order form. Complete and send your order and your check into Archbishop Carroll. Please make checks payable to Archbishop Carroll and mark envelope Scrip. Your scrip gift cards will be sent home with your son/daughter or can be picked up at Carroll at the tuition office.
2. **Online Ordering** – Go into shopwithscrip.com and follow these steps:
 - a. It will ask you if you have an account yet – click Get Started
 - b. Prompt – would you like to join your group’s existing program
 - c. Enter Enrollment Code for your Group:
5F56DE9A823
 - d. Follow steps to set up your UserName and Password and personal information. You can then begin shopping online. After your shop, send check payable to Archbishop Carroll – marked Scrip on envelope. Your order and payment will be processed and scrip will come home with your child if you ordered physical gift cards after it is received by Carroll. You may also pick it up in the tuition office if that is more convenient for you.
 - e. As you follow the instructions for shopping, you will see that some retailers offer scrip in three ways – physical gift card, ScripNow or Reload. ScripNow and Reload are a faster way to acquire your scrip. Please note that these are available after your payment is processed by Carroll. Once the order is released by Carroll, you will receive an email from Shopwithscrip telling you your scrip is available to be printed at your home. Reload is only available after payment is processed by Carroll and you have a physical gift card that you previously purchased through shopwithscrip.com.
3. **PrestoPay- Online Ordering through your Bank Account** – Receive Scrip Immediately at your home with the ScripNOW feature. You can only receive the Scrip at home if the retailer offers that option. The benefit of the PrestoPay is that it allows you to pay online with your banking account and not have to send your check into Carroll.
 - a. After you sign in, use the Dashboard tab and on the next page you will see Presto Pay, click on that to follow instructions on how to get started. It will take a few days to have all approvals and then you are set for all future orders.

- b. Parents can order online 24 hours/7 days a week and choose to have their bank account debited for the entire amount of their order. Send no payment into Carroll.
- c. You must be approved by Carroll to do this. Once you receive your approval code, you can begin ordering right away.
- d. You are charged \$0.15 per order by Shopwithscrip.com for this convenience.
- e. You receive your scrip at home if you use ScripNow from retailers who have this option and can then print it out at home. If you ordered physical gift cards, your order will come home the same way as the other orders.
- f. If your bank has insufficient funds and the order has not been released, you will be charged a \$30.00 fee. If the order was released and the parent already received the scrip, you will be charged the amount of the order plus a \$30.00 fee.
- g. If you want your Scrip quickly, you must use the SCRIPNOW feature. If you want regular plastic gift cards, your order will come through Carroll as usual.

Instructions for online ordering and PrestoPay are very clearly explained on Shopwithscrip.com

When to Order and Receive Scrip

If you use the traditional paper order form or online order form and your order and checks are into Carroll by Thursday morning, scrip should be going home with child the following Thursday. PrestoPay gives you the convenience of receiving scrip at home very quickly by using the SCRIPNOW feature.

After You Order

After you successfully placed your order, you will receive an email from ShopwithScrip thanking you for placing your order. Please note that the amount of the rebate on your email is **not your tuition rebate. Your tuition rebate is 90% of the total rebate received.**

Tuition Rebates

Parents will receive a Scrip Plus Tuition Voucher either with their scrip order or emailed to the parent which will show the upcoming amount that will be credited to their tuition. SmartTuition will make the adjustment on your account. Please allow one month for paperwork processing this credit to appear.

This is an easy way to save money on your tuition. We all shop – families have saved over \$1000 on their tuition by using Scrip. It takes a little planning but is very easy to do and you would be amazed how fast it adds up.

Remember, Archbishop Carroll is giving 90% of the rebate back to the parent. The other 10% is being used to pay for costs to keep the program running. **If you have questions regarding Scrip, please email scrip@jcarroll.org** Contact person – Sharon Corbett
