

Girls Lacrosse Assistant Coach: Jackie Sexton

Ms. Sexton is a 2010 graduate of Syracuse University, where she was an impact player for the Orange. As a senior co-captain, she led the team to an NCAA Final Four while recording career highs in goals and points on the season. She was a four-time BIG EAST All-Academic team member and a three-year starter. Prior to Syracuse, Jackie was a standout at Archbishop Carroll where she received All-League, All-Delco and All-Main Line honors. She is also a coach for Phantastix. When not coaching, Ms. Sexton is a nurse at Hospital of the University of Pennsylvania. She is part of a big lacrosse family with two older sisters, Jen and Jill, who played at Monmouth and Syracuse respectively, and a younger sister, Jamie, who played at the University of New Hampshire. Ms. Sexton loves to coach with her sister Jen because she enjoys staying involved with lacrosse and wants to be a positive role model for young female athletes who love the sport as well.
