MEMORANDUM

To: Student Drivers and Parents

FROM: Mr. James Corkery

DATE: September 2011

RE: Early Dismissal Due to Inclement Weather

In order to ensure that student drivers and accompanying passengers are permitted to leave school at a reasonable time during inclement weather, we ask that each driver, passenger and parent sign the following form. The parental signatures will not only permit their child an early dismissal due to the weather, but will also allow their child to be transported by a student driver who is their means of everyday transportation. This applies to the student driver as well. It is our hope that your child will always arrive home safely and avoid the confusion and the faxed notes experienced during previous year's snow storms. If you have any questions or concerns, please do not hesitate to contact me.
