

Archbishop Carroll High School

Athletic Office

Dear Carroll Families,

Unlike pregame activity at many collegiate and professional sporting events, high school events have restrictions that need to be respected and followed by everyone. The Archbishop Carroll Administration wants to ensure the safety of everyone and support a family environment with the following guidelines:

- No alcohol may be on school premises and/or consumed before, during, or after school athletic events by either students or adults.
- Archbishop Carroll is a tobacco free campus. Smoking (either conventional or vape/juul) is not permitted on school grounds at any time.
- While music is permitted, we do not permit songs with vulgar or obscene lyrics. Please keep the music volume at a moderate level.
- Profanity, intoxication, aggressive behavior and unsportsmanlike conduct are grounds for immediate ejection from the athletic facility. Refusal to comply with a directive to exit the playing facility will result in police involvement.

Thank you all for positively supporting our wonderful school and see you at the game!!!

Thomas J. Quintois
Athletic Director
Archbishop Carroll High School
