CONTRACTUAL AGREEMENT

The contents of the Parent-Student Handbook constitute a contract involving the school, parent, and student. The student must conform to the regulations and policies contained within the text.

School jurisdiction is not limited to school hours or property. A student at Archbishop John Carroll High School is considered a student 24 hours a day, 7 days a week. Any behavior – curricular, non-curricular, co-curricular, or extracurricular – in which the school’s reputation may be affected falls under school jurisdiction. Students involved in any behavior contrary to school policy or school philosophy will be subject to the same guidelines that regulate the school day and the school grounds.

The Archdiocesan Secondary School System and Archbishop John Carroll High School reserve the right at any time to amend or add to the policies, rules and regulations contained in this handbook, and to make such changes applicable to current and new students when the situation dictates. Parents/guardians and students will be notified in writing of any changes or amendments made to the policies, rules and regulations in the Archbishop John Carroll High School Parent-Student Handbook.

Until a student graduates, regardless of age, he/she needs parent/guardian’s written permission for all legal matters involving school activities, school records, and school attendance.

HISTORY OF THE SCHOOL

Opened in September, 1967 and officially dedicated and blessed on April 28, 1968, Archbishop John Carroll High School for Boys and Archbishop John Carroll High School for Girls were the final secondary schools under the building program instituted by John Cardinal Krol. The schools were named for John Carroll, the first bishop of the Catholic Church in the United States. The two schools merged in September 1986. Archbishop John Carroll High School is staffed by one diocesan priest, and lay personnel. Presently the student body numbers approximately 807.

MISSION STATEMENT

Archbishop John Carroll High School, a co-educational secondary school within the Archdiocese of Philadelphia, is committed to excellence in the areas of spiritual, academic, and social development. By guiding our students in the development of their goals within the context of a meaningful relationship with God, others, and self, we challenge them to responsible stewardship

in the world. With Christ as our model, the school accomplishes this challenge through the dedication of a professional staff who educate students by implementing innovative and competitive methodologies to prepare the twenty-first century learner for the ever changing world.

PHILOSOPHY

Archbishop John Carroll High School, a co-educational academic community in the Archdiocese of Philadelphia, dedicates itself to the living of the Gospel within the Catholic tradition. We endeavor to continue and to enhance the formative role of both parents and parish by creating an authentically Christian environment. Our students come from diverse socio-economic backgrounds and we strive to achieve mutual respect among all members of the faith community. We demonstrate that “Carroll Cares” by the personalized attention we give to every student. Educating the whole person, we guide each student in developing a meaningful relationship with God and all people. We challenge our students to responsible service in the world beyond the school.

Aware of the global need for morally discerning and technically competent leaders, our academic program emphasizes a value-centered approach to critical thinking and decision-making. We urge our students to be academically accountable while participating in a broad array of co-curricular and extracurricular activities. We hope to instill in our students the lifelong necessity of personal faith, scholastic achievement, and social involvement. With Christ as our model, we, the Archbishop John Carroll Community, commit ourselves to better America through lives of personal integrity and generous service.

CATHOLIC IDENTITY

As a Roman Catholic institution within the Archdiocese of Philadelphia, Archbishop John Carroll High School is a source through which each member may deepen his or her personal relationship with the Living God – Jesus Christ. The Office of Campus Ministry is responsible for providing opportunities for members of the school community to grow and mature in the Catholic Faith. Students are taught to integrate the truths of the Faith learned in the classroom into every aspect of campus life, as well as into the family, parish, and community in which they live. Guided by the spirit of the Rev. John Carroll, America’s first Catholic bishop – priest, patriot, and scholar – a graduate of Archbishop John Carroll High School will become a person of deep faith, responsible citizenship, and intellectual endeavor.

SPIRITUAL LIFE

§ **Holy Mass** is celebrated daily in the chapel.

§ **Student-led prayer** is offered at the beginning of each lunch period in the Chapel.

§ **Genesis**, weekly adoration and student-led song and praise with confession occurs every Tuesday night year-round in the Chapel.

§ The **Sacrament of Reconciliation** is offered at communal Penance Services during the seasons of Advent and Lent, bi-weekly throughout the academic year, and anytime upon request of the priest on staff.

§ **Liturgies** are celebrated with the entire Archbishop John Carroll and Saint Katherine Day School communities one or more times a month throughout the academic year. Students are invited to participate as altar servers, readers, and cantors, while faculty and staff serve as Extraordinary Ministers of the Holy Eucharist and readers.

§ **Eucharistic Devotion** – Adoration of the Blessed Sacrament is customarily held on First Fridays or another select day in the Chapel throughout the academic year. In addition, the traditional Forty Hours Devotion is held once a year with two full days of Eucharistic Adoration in the Chapel, followed by a communal celebration of Holy Mass, a Eucharistic procession, and Solemn Benediction.

§ **Marian Devotion** – As a faithful Catholic, Archbishop John Carroll was devoted to the Blessed Virgin Mary, the Immaculate Conception. In imitation of our namesake, devotion to our Blessed Mother is promoted and encouraged through the praying of the Holy Rosary during the month of October and throughout the year. An image of the Blessed Mother is crowned during the celebration of Holy Mass in May by the May Queen and her court, comprised of students chosen by faculty as representative of the virtues of the Blessed Virgin Mary and St. Joseph.

§ **Prayer Life** – As a response to the call to prayer without ceasing, students begin the day and each class with prayer. In addition, students participate in team prayer services before games in the Chapel where they dedicate their efforts to a particular private intention through the intercession of *Our Lady of Victory*.

§ **Retreats** – Students participate in a mandatory one-day retreat with their individual class, which allows them to withdraw from the normal daily schedule to spend time with the Lord and one another. Under the guidance of the Holy Spirit, this day provides students with an opportunity to encounter Jesus, reflect upon the movement of God in their lives, and formulate their personal response to the call of discipleship received in Baptism.

§ **Kairos** - In addition to their one-day class retreat, seniors have the opportunity to apply for *Kairos*, a four-day overnight retreat held at a local retreat center. *Kairos* is a Greek term which means “sacred time” or in theology, “the appointed time in the purpose of God.” The *Kairos* retreat employs some of the principles of the Spiritual Exercises of St. Ignatius of Loyola, a priest and mystic who founded the Society of Jesus (the Jesuits). The religious order to which Archbishop John Carroll belonged. *Kairos* is an opportunity to grow in relationship with God and others and to become more aware that each person is created in the image and likeness of God. Through the activities, talks, and conversations shared, retreatants come to recognize

God's presence in all things: family, friendships, music, creation, Sacred Scripture, the Sacraments and even in the crosses they bear.

HUMAN LIFE AND DIGNITY

As a gift from God, every human life is sacred from conception to natural death. Archbishop John Carroll High School thus affirms that the life and dignity of every person must be respected and protected at every stage and in every condition. The right to life is the first and most fundamental principle of human rights that leads Catholics to actively work for a world of greater respect for human life and greater commitment to justice and peace. To that end, the school maintains a Pro-Life club, which meets weekly and sponsors various activities throughout the academic year that foster appreciation for the precious gift of human life.

CHRISTIAN SERVICE

The Community Service Corps (CSC) works to coordinate Christian service at school and within the local community. Students are encouraged to participate in the various opportunities provided to put their Faith into action through service to God and the community.

SCHOOL SEAL AND MOTTO

The seal of Archbishop John Carroll High School is cast in an octagonal shape to mirror the shape of the school Chapel which has a most unique design.

The interior field is divided into four chambers, each representing a year of the school's four-year course of study. A cross and crown symbolize the basic Catholic philosophy of the school. The crown represents the devotion of Archbishop John Carroll to Mary, the Mother of God.

The inverted sword and the upright lions are taken from Archbishop Carroll's original coat of arms and symbolize readiness and courage in seeking truth.

The lamp of learning resting on the book of knowledge symbolizes the basic educational purpose of the school.

The thirteen stars surrounding the United States flag represent the original thirteen colonies and indicate the allegiance and involvement of Archbishop John Carroll in the early history of the United States. "*Pro Deo et Patria*" [for God and Country] is the school motto.

STUDENT BODY

Students of every race, color, and national origin are admitted and granted the rights, privileges, programs, and activities accorded or made available to students at this school. Non-Catholic students are welcome, follow the regular course of instruction in theology, and participate in scheduled religious activities.

Alma Mater

High on the hilltop, over the glen,
Dear to our hearts, Archbishop Carroll forever.
Hold high the candle, brighten the way
We shall be loyal, red and white and pray
God lead us onward through each bright new day.

Joy in our learning, peace in our minds,
Love in our hearts, Archbishop Carroll forever.
Glory and honor, freedom and truth
We shall be loyal, red and white, and pray,
God lead us onward through each bright new day.

[Words and music by William Bless, 1970]

ACADEMIC INELIGIBILITY

If a student fails two or more subjects at the end of the academic quarter, he/she is not eligible to participate in any extracurricular activities including athletic contests/games for fifteen (15) calendar days. Once the fifteen calendar days have expired, the student's grades in ALL courses are reviewed. The student will then schedule a meeting with the Principal or Assistant Principal for Academic Affairs to review his/her grades. If the student is failing fewer than two courses, he/she is again eligible. Please note that ALL of the courses are considered, not just the original failed courses. Should a student not be eligible after fifteen days, they will have their grades reviewed again seven days later. Should a student not be eligible after those seven days, they will remain ineligible until progress reports are released at the middle of the quarter, where the review process will begin again.

If a student is failing 3 or more subjects at the mid-quarter when progress reports are issued, he/she must meet with the Principal or Assistant Principal for Academics and will be ineligible for any school activity for five (5) school days.

ACADEMIC PROBATION AND DISMISSAL

Students who receive three or more scholastic failures for a final grade may be subject to dismissal. Any student with two failures at the end of the school year is to be put on academic probation. If he/she has two final failures while on probation, that student is liable to dismissal. If he/she has one final failure while on probation, that student will remain on probation for the next school year.

Twelfth grade students who would be dismissed under this policy may attend summer school to clear the two failures and thus be given a diploma if they pass summer school courses.

Ninth grade students with five failures at the end of the first semester are liable to dismissal. Tenth, eleventh, and twelfth grade students with four failures at the end of the first semester are liable to dismissal. Students on probation who have three failures at the end of the first semester are liable to dismissal.

The Principal, after consultation with the Administration, reserves the right to make the final decision regarding dismissal.

ALCOHOL/DRUGS

The possession or use of alcohol or other drugs is strictly prohibited on school property and during school-related functions, *on and off* campus. Consumption of alcohol and/or the use of drugs, or the possession of the same will result in serious consequences. These consequences include, but are not limited to, immediate suspension, notification of parents, and loss of privileges, including all dances and proms, and possible dismissal from Archbishop Carroll High School.

Individual circumstances may warrant dismissal or denial of public graduation. In addition, the student will be required to attend a drug/alcohol counseling program and to be assessed with a counseling team at parental expense. Civil authorities may be notified.

ASSEMBLIES

Students are to be with their homerooms in assigned seats in the auditorium during all assemblies. They are to be on time and in full uniform. No jackets, sweatshirts, book bags or electronic devices are to be taken to assembly programs. Students should follow the directives of the Assistant Principal for Student Services and homeroom moderator when moving into and out of the lobby and auditorium areas.

ATHLETICS

An interscholastic sports program and an intramural program to promote athletic competition that is consistent with the religious philosophy of the school are available to all students. None of our sports teams may fundraise unless explicitly approved by the athletic director, principal, and the school president. The **Board of Governors of the Catholic League has promulgated the following Athletic Code of Conduct:**

- **ATHLETIC COURTESY**

Athletics should foster sportsmanship. It is the privilege of each one of us associated with athletics to bear witness to our principles in our own actions.

- Visiting teams and spectators are guests of the home team and should be treated as we would like to be treated.
- The rules of the game are to be regarded as mutual agreements, the spirit or the letter of which no honorable person should break.
- **ETHICS PERTAINING TO CATHOLIC HIGH SCHOOL ATHLETICS:** This Code of Ethics is to be regarded not simply as recommendations but as rules governing the conduct of student-spectators, student-athletes, coaches, and athletic directors.
 - **The Student-Spectator should:**
 - Realize that he/she represents his/her school just as an athlete does.
 - Appreciate and give suitable recognition to the good in others.
 - Cheer positively and avoid *booing*, abusive language or vulgarity. Negative cheers are clearly a lack of charity that breeds the same in opponents.
 - Not wear costumes, use face paint, musical instruments, noisemakers, signs, and streamers, as these are annoying to some and inflammatory to others.
 - Regard officials and opponents as honest; officials' decisions should be abided even when they seem unfair.
 - Be aware that if he/she continually evidences poor sportsmanship, he/she will be requested not to attend future contests.
 - Realize that a contest ends with the final whistle or other signal; post-game injury to others or damage to property is unchristian and irresponsible behavior.
 - **The Student-Athlete should:**
 - Develop a deeply ingrained conviction that he/she represents a long tradition of fairness and competitiveness.
 - Develop the self-control necessary for best performance in competition and life; losing his/her temper and consequent fighting or abusive language are failures in this regard.
 - The student-athlete who flagrantly abuses these rules, even one, may be dropped by his/her school from the team as he/she is deemed unworthy to represent this League and his/her school.
 - **Student-Athlete and Attendance:** Students may not attend or participate in a game, practice or extracurricular activity if they are absent from school. If the student is not present, they may forfeit the right to play in the next game.

- The Philadelphia Catholic League demands that all members of the League—administrators, coaches, players, and spectators—should demonstrate their Catholic identity through good sportsmanship and spirituality.
 - The student-athlete must be present for at least four class periods, excluding lunch and study hall, to be eligible to play or practice that day.
 - Student-athletes are to be in school at the start of the day following a contest.
 - Students participating in active sports must submit a completed **PIAA Comprehensive Initial Pre-Participation Physical Evaluation** directly through Family ID. PIAA Forms are no longer collected through the school. The form consists of four sections: 1] Personal and Emergency Information; 2] Certification of Parent/Guardian; 3] Health History; 4] PIAA Comprehensive Initial Pre-Participation Evaluation and Certification of Authorized Medical Examiner.
 - Each student-athlete is expected to participate in concussion impact testing. This testing is conducted prior to each season by the Archbishop Carroll athletic trainer.
- **If a student chooses to participate in more than one sport, he/she must submit a completed Section 7 of the PIAA CIPPE Form for recertification by the parent or guardian to Family ID before each sports season begins. Note: If any supplemental health history questions are either circled or checked YES, the student is required to submit a completed Section 8 prior to being eligible to participate in his/her next sport.**
 - These forms may be downloaded from the school website - www.jcarroll.org.
 - Students may not participate or try out without completing and submitting these forms through Family ID. Financial responsibilities for athletes are listed with tuition/fee information.
- **If a student is failing 3 or more subjects at the mid-quarter when progress reports are issued, they must meet with the Principal or Assistant Principal for Academics and will be ineligible for any school activity for five (5) school days.**
- **If a student fails two or more subjects at the end of the academic quarter, he/she is not eligible to participate in any extracurricular activities including athletic contests/games for fifteen (15) calendar days. Once the fifteen calendar days have expired, the student's grades in ALL courses are reviewed. The student will then schedule a meeting with the Principal or**

Assistant Principal for Academic Affairs to review his/her grades. If the student is failing fewer than two courses, he/she is again eligible. Please note that ALL of the courses are considered, not just the original failed courses. Should a student not be eligible after fifteen days, they will have their grades reviewed again seven days later. Should a student not be eligible after those seven days, they will remain ineligible until progress reports are released at the middle of the quarter, where the review process will begin again.

- Students who have two or more failures at the end of the school year will begin the next school year under review and require at least two meeting per quarter with the Principal or Assistant Principal for Academic Affairs.

- **ATHLETIC TRAINER**

Archbishop Carroll employs a trainer for 30 hours per week on a flex schedule to accommodate our game schedule. Although every effort will be made to safeguard our athletes during practices and competition, it is not a state requirement that an athletic trainer be present. Archbishop Carroll does not guarantee that an athletic trainer will be present for every event, home or away.

- **TRANSFER STUDENT ATHLETES** must go through our Admissions Director prior to competing or participating in a sport. After approval by Admissions, the transferring student must submit the PIAA required *Transfer of Eligibility* waiver. This form must include the signatures of the sending school principal and Archbishop Carroll principal in order to be considered for eligibility for varsity athletics.

ATTENDANCE

Students are expected to attend school each day unless there is an important reason for absence. They are responsible for making up all school work missed during the period of absence, regardless of the reason. **If absent from school or sent home sick, the student may not participate in any co-curricular activity or sporting event that day or until the next school day attended.**

In order to enable the school to determine the validity of an absence, the following procedures must be observed:

- **Before 7:30 a.m.** on the day of absence, the parent or guardian must call the Attendance Office at **610-688-7610, ext.1** and give the student's name, ID number and reason for absence. This does not replace the need for a note.
- **On the first day back after the absence**, the student is to present an absence card to the Office for Student Services. If after three days this is not complete, the local district will be informed that the student is truant.

- **Failing to follow absence procedures may result in a student being listed as truant. Please note that each period missed due to lateness will be counted as 1/8 of a day when determining the total number of absences. A full school day requires that a student be present for at least four (4) class periods, excluding lunch and/or study hall.**
- **Students absent 22 or more days or with significant lateness of more than five days will be liable for Diocesan or Disciplinary Summer School to make up the missed time. Tuition will be charged for attending summer school.**
- **Repetition of a poor attendance record could result in dismissal.**
- **The attendance record is part of the permanent student record.**
- **ABSENT / LATE / EARLY DISMISSAL NOTES:**
 - A parent/guardian must call 610-688-7610 ext. 112 before 7:30 a.m. the day of your student's absence and give the student's name and specific reason for the absence. If there is NO phone call, the absence will be regarded as an unexcused absence.
 - Any day school is in session and you are absent, an absence card is required regardless of the reason. Even if you have a doctor's note, an absent note signed by a parent/guardian is still required. (Please attach the absent note to the doctor's note.) Extra absence cards are available in the Main Office.
 - Students who do not have absent notes on file for all absences at the end of the year will have their report card withheld until notes are received.
 - Any student who arrives late to school must sign in and receive a pass from the Office of Student Services. Driving to school is never an excuse for lateness; 15 late arrivals for drivers will result in the suspension or removal of driving privileges. Any student who is late to school 5 or more times will receive a Saturday detention at a cost of \$20.00.
 - Any student who needs to leave school early for any reason MUST have a signed note from a parent/guardian to leave. The note should be given to the student's homeroom teacher at the start of the day. Students may also complete an online Google Form for leaving school early. This form should be sent in at the start of the school day. Students may also not take any other students with them when dismissed unless there is a signed note from that child's parent/guardian on file as well. **NO PHONE CALLS OR WALK-INS FOR EARLY DISMISSAL WILL BE ACCEPTED.** Requests must be in writing. Requests are to be submitted to the Office of Student Services before homeroom or placed in the homeroom folder. The person picking up the student must report to the Office of Student Services to sign the student out. ***If the student is driving, permission from the parent must be included in the letter.***

- **ABSENCES:**

Any student whose absences are deemed to be excessive by the school and the Archdiocese (22 or more days) may be subject to discipline summer school to make up the missed time at an additional cost, withholding of report cards and transcripts, and/or review for re-enrollment for the following school year.

- **EARLY ARRIVAL**

Students who arrive early on the school property must go to the Cafeteria. Students may obtain permission to report to the library from the Cafeteria moderator. Students should not be moving about the halls until the first bell rings at 7:35AM.

- **EARLY DISMISSAL FOR APPOINTMENTS**

Early dismissal is discouraged and should be requested only for very important reasons. Dental, medical, college interview, and other appointments should be scheduled at times which do not conflict with class attendance. Early Dismissal notes or Google form submissions for doctor's appointments must be sent to the Student Services Office **at least one day in advance of the appointment or completed on-line prior to 8:00 am.** Early Dismissal requests will **NOT** be accepted the day of the appointment or on-line requests after 8:00 am. Additionally, phone calls for early dismissals due to doctor's appointments or for other reasons will **NOT** be accepted.

- **EARLY DISMISSAL - EIGHTH PERIOD**

Only seniors who are rostered for Study Hall at eighth period may be dismissed. Students are to leave campus immediately — or report to the Hageney Student Union. Any student found not in compliance will be rostered back to study hall, as per the signed early dismissal contract. Seniors with 8th Period Study Hall may not leave until their form is signed and returned to the Office for Student Services.

- **LATENESS**

LATE FOR SCHOOL: Students are expected in Homeroom by 7:50 am. Students who arrive to Homeroom after 7:50 am are considered late for school and must report to the Student Services Office for a late pass and appropriate demerits/detentions. **Students who drive and are late will not be excused** since reliable transportation is available via school bus or public transportation. **Drivers who have more than 15 lateness to school will have their driving privileges suspended and/or revoked with no refund of fees.**

Students who arrive late because of detained buses, etc. must report directly to the Assistant Principal for Student Services. Lateness in this case is excused.

Any student who arrives late for school after 4th period is considered absent and is responsible for any missed work. Also, students arriving after the beginning of 5th period may NOT participate in any extra-curricular activity that day.

LATE FOR CLASS: Students late for any class during the day are to report directly to class and will be assigned a school detention. If a student is detained by a faculty member, the faculty member must sign a note for the student.

AUDITORIUM

Students must be supervised at all times when using the Auditorium. Scheduling for the use of the Auditorium is arranged through the Assistant Principal for Student Affairs.

AUTOMOBILES

Student drivers must apply for a parking permit by registering their automobiles in the Office for Student Services within the first two weeks of school.

- A student parking permit costs \$50.00 [reduced from previous fee of \$100.00].
- Students must park in **an assigned spot**.
- Any illegal parking will result in demerits, detentions, and a fine of \$50.00.
- Repeated offenses will result in loss of parking privileges.
- Careless driving will necessitate suspension of the parking privilege.
- Speed must not exceed 5 mph on school property.
- **Drivers who have more than 15 lateness to school will have their driving privileges suspended and/or revoked with no refund of fees.**
- All parking and use of vehicles are at the owner's/user's risk. Drivers are responsible for their own safe arrival and for the safe arrival of their passengers. Students should be aware of changing weather and road conditions and plan to allow sufficient time to travel to school.
- The school assumes no liability associated with vehicle use.
- Any vehicle parked on school property may be searched at any time by school officials or their designee who have probable belief that weapons, illegal or controlled drugs, alcohol or other contraband or harmful items are contained therein.

BAND

Students who elect membership in Archbishop Carroll's Band are rostered for a music class and earn one credit in Fine Arts. Students who are rostered for Band are encouraged to participate in the Marching Band. Students in Band will also receive lessons once or twice a week by Archbishop Carroll staff that specializes in percussion, woodwind, or brass. Additionally, Band is treated as an extracurricular activity. Students participating in Band events are expected to represent the school appropriately. Students are responsible for all school work missed while

attending Band-related engagements. Other activities that are band related include orchestra, drum line, pit band, and jazz band. Each group is looking for new members with or without experience. The Band Director will teach new students to play an instrument.

BEHAVIOR IN PUBLIC

Any student acting inside or outside of school in a manner which is contrary to our Catholic philosophy or in a way which would cast shame or cause embarrassment to Archbishop Carroll High School is liable for any or all of the following: suspension, dismissal, or denial of public graduation.

BOOKBAGS AND BACKPACKS

Sports bags are placed in room 200. Bags must be retrieved by 2:35 pm each day. No book bags or backpacks are permitted at athletic or social events.

BUILDING/PROPERTY

Students are expected to maintain the cleanliness of the building and property by using the proper containers. Marking or defacing school property is a serious offense and punishable by suspension or dismissal. In addition, a student who damages school property must pay for the repairs. Fire extinguishers and alarm boxes must be in good working order in case of emergency. The school considers it a most serious offense if a student tampers with a fire extinguisher, its wall case, or the fire alarms in any way.

Students should not remain in the academic areas or school lobbies after 3:00pm. Those students involved in extra-curricular activities must remain under the supervision of a faculty member or coach. They should remain only in the area of that activity. Any exception to this must be cleared through an administrator.

BULLETINS AND ANNOUNCEMENTS

All notices of club meetings, athletic and social events, general information and specific instructions for the day and important upcoming events are announced over the morning announcements each day as well as being posted on the school social media accounts. Students are held responsible for the contents of these daily announcements; hence the importance and necessity of silence and attention during announcements. All activity announcements must have the signed authorization of the moderator or the coordinator of the activity.

CAFETERIA

Seating in the cafeteria at lunch time is by grade level. It is the responsibility of every student to keep the cafeteria clean and orderly. Cafeteria moderators will direct students to dispose of trash properly. Students will be assigned to sweep the floor and clean the tables.

CELL PHONES & OTHER ELECTRONIC DEVICES

During school hours (7:45 am – 2:25 pm), students are not permitted to use their cell phones or other personal devices except in the School Cafeteria and Hageney Student Union during their lunch periods. This includes the use of headphones or airpods in the hallways. The school-issued Chromebook is the only permissible electronic device during school hours.

Violations of this policy for cell phones, headphones, etc., are as follows:

- **First Offense:** Personal device confiscated, five demerits, three detentions, and a \$10 fine.
- **Second Offense:** Personal device confiscated, 10 demerits, 5 detentions, and a \$15.00 fine. A parent or guardian will be notified.
- **Third and Subsequent Offenses:** Personal device confiscated, 10 demerits, 5 detentions, and a \$25 fine. A parent or guardian will be notified.

STUDENTS MUST PRESENT THEIR SCHOOL ID AND PAY THE FINE AT THE END OF THE SCHOOL DAY TO HAVE THEIR DEVICE RETURNED TO THEM.

CHANGE OF ADDRESS / PHONE / EMAIL

If a student moves, he/she is requested to submit in writing the revised information [new address, phone, and parish] to the Office for Academic Affairs—as soon as a change has occurred.

CLASS RANK AND QUALITY POINTS

Class Rank is determined by weighted Quality Point Average which gives greater “weight” to more difficult courses in the higher levels of course. The weighting is accomplished by assigning quality points to each mark (first semester or final grade) according to the level of the course, as outlined in the Quality Points Table (See Course Brochure). The student who ranks first in the class has the highest Quality Point Average (total quality points divided by total credits). Two types of class rank appear on the first semester and final report card.

Current Rank: Class rank based on a student’s performance during the current year.

Cumulative Rank: Class rank based on a student’s total performance over all years.

The student who, after seven semesters, is cumulatively ranked #1 will be named **Valedictorian** of the class.

The student who, after seven semesters, is cumulatively ranked #2 will be named **Salutatorian** of the class.

Graduation Speakers: Only if the class Valedictorian and/or Salutatorian choose(s) not to give his/her speech will students be invited in April to apply to give the speech(es).

COLLEGE REPRESENTATIVES VISIT ARCHBISHOP CARROLL

Representatives from colleges and universities make scheduled visits to Archbishop Carroll to meet with students interested in their college or university. The visits will be published to the Archbishop Carroll students who can reserve time to speak with these representatives and gain some personal knowledge of their college of choice. Students should check Naviance regularly for updates or visit Guidance to see which colleges are scheduled and to sign up to attend the visit.

CONTRABAND

Students are forbidden to bring to school or to have in their possession any materials which do not pertain to school work, which are a source of disturbance, or which do not promote the common good. Among these are items forbidden by regulation, e.g. drugs/alcohol, weapons/firearms, tobacco, **electronic cigarettes**. These materials are subject to confiscation and violators will receive appropriate penalties. In some situations, the police will be notified as well.

COPYRIGHT and RESEARCH

Copyright is a form of protection provided by the laws of the United States to the authors of *original works of authorship*, including literary, dramatic, musical, artistic, and certain other intellectual works. This protection is available to both published and unpublished works. Students are reminded that this applies to Internet sources as well.

Students who ignore these provisions are guilty of plagiarism which is a violation of academic integrity as well as of the school's rules and Code of Conduct. Students writing research, making presentations, creating projects, and submitting academic work are reminded that they are responsible to properly cite sources and include them in a bibliography. The Archdiocese of Philadelphia uses the current MLA style sheet as a standard. The English Department provides all students with individual accounts at Noodletools to help achieve this goal. In addition, Turnitin, a web resource that scans for plagiarism, is also used as a teaching tool at Archbishop Carroll.

COURSE CHANGES

All courses for the academic year are selected by the student and approved by parents and teachers during the spring of the previous year. **For this reason, levels and courses (including electives) are not changed, added or dropped in September.** In exceptional cases and for valid reasons Archbishop Carroll High School permits limited roster changes in August and up to and including the completion of the first academic cycle (six days). No changes will be processed after that time without a serious and compelling reason - failing a class is not a sufficient reason to drop a class after it has begun. The steps in the roster review process are meant to ensure that the change is really in the student's best interest, that individual class size

and total teacher load are not compromised, and that a “domino effect” is not produced involving course changes or level changes in subjects other than the one requested.

Therefore, requests for the following reasons are generally *unacceptable*:

- Dissatisfaction with a Course/Teacher/Schedule
- Change of Mind
- Desire for Early Dismissal/Different Lunch or Study Period

During the designated time in August, students may complete roster review application forms. There is a fee of \$50.00 for the application which will be refunded if the change is not made. This charge is meant both to emphasize the seriousness with which roster changes should be requested, and to offset the real costs involved — updating the database, and producing new rosters for the student and the various school offices. The student is notified upon return to class in September if the request is approved or denied.

COURSE OFFERINGS

Course offerings include complete academic programs for the college-bound student, as well as vocational training through arrangements with available county vocational-technical schools. Course brochures are available online at www.jcarroll.org. Registration takes place in February and March for the following academic year.

CRITERIA FOR HONORS

The Honor Roll is determined by general average; course levels are not considered. The numerical grade is meant to indicate whether or not the student is working to his or her ability level; it is independent of the level.

To attain **first honors recognition**, a student must have a general average of 93 with no grade lower than 90 in any subject (required or elective, major or minor).

To attain **second honors recognition**, a student must have a general average of 88 with no grade lower than 85 in any subject (required or elective, major or minor).

First and Second Honors are calculated on a quarterly basis and will not include semester assessments or semester grades.

CYCLE

Archbishop John Carroll High School employs a six-day cycle in its academic calendar. School days are identified by the number 1 through 6. Thus, if Monday is Day 1, the following Monday is Day 6 (and Tuesday is Day 1). If the sequence of days is interrupted by a holiday or a weather cancellation, the sequence resumes with the next numerical day. This six-day academic cycle ensures that labs and classes which do not meet daily are never skipped.

DANCE REGULATIONS

- ALL TICKETS ARE SOLD IN ADVANCE IN SCHOOL. Students must have a valid school ID at the time of purchase. Archbishop Carroll students may purchase tickets for themselves and their guests of the opposite sex during all lunch periods. Tickets are usually sold one week prior to the scheduled dance. For students who wish to purchase tickets as a couple for the Junior or Senior Prom, each student must be of the opposite gender. Students from outside of Archbishop Carroll must have the guest approved by The Office of Student Affairs. In order to be an approved guest of Archbishop Carroll, the guest must be of the opposite gender and must be under 21 years of age. The guest must have a guest permission form completed and signed by his/her high school principal and a parent. The form must be turned into the Office of Student Affairs. The guest must present a photo ID at the dance.
- Students wishing to attend the Prom are reminded that their tuition payments must be up to date and that they must be in good disciplinary standing with The Office of Student Services.
- Tickets are nonrefundable and nontransferable.

 - only with the ticket which was purchased in advance and a valid photo ID.
 - **only WITH the Archbishop Carroll student who has purchased the guest ticket. (If the Archbishop Carroll student decides not to attend the dance, the guest may NOT attend the dance.)** Archbishop Carroll students are responsible to inform their guests of Archbishop Carroll policies and procedures.
- **Dress Code:** The Administration reserves the right to make final decisions on dress code/appearance. Neatness, good grooming and modesty are expected of students who attend extracurricular events, regardless of fashion trends. If a student is inappropriately dressed, a parent will be notified and asked to come for the student. Students attending formal school dances or proms should choose neat and clean clothing that reflects

modesty. Dress length and neckline should be appropriate, and no bare midriffs are permitted. Two-piece dresses must overlap at the waist. Garments that are tight or low-cut are unacceptable. If you are bringing a date from another school, it is your responsibility to make the date aware of our dress code policy. We hope to maintain the integrity and formality of these special events by implementing this dress code. Any questions about the appropriateness of formal dance attire should be directed to the Assistant Principal for Student Affairs.

- No student may leave early without **written** parental permission.
- No book bags or backpacks are permitted at school dances.
- **Any student who has been dismissed from Archbishop Carroll for discipline reasons may not attend an Archbishop Carroll dance.** Archbishop Carroll reserves the right to deny the purchase of a ticket to any student/guest at the Administration's discretion.
- The possession or use of alcohol or other drugs is strictly forbidden on school property and during school-related functions.
- Consumption of alcohol and/or the use of drugs, or the possession of the same will result in suspension, failure in conduct, and immediate notification of parents. In addition, a student will be scheduled for assessment with a counseling team at parental expense. Civil authorities may be notified. The school considers the consumption of alcohol or the use of drugs as a very serious matter; therefore, any senior who violates this rule before or during the Senior Prom will NOT participate in ANY of the Baccalaureate/Graduation ceremonies.
- **SMOKING AND THE USE OF TOBACCO OR TOBACCO PRODUCTS IS NOT PERMITTED. The NO SMOKING or USE OF TOBACCO (including but not limited to Juuls and other electronic cigarettes) rule applies at all dances, including the Junior and Senior Proms.**
- Rules apply to guests as well as Archbishop Carroll students.

DISCIPLINE

The system of discipline in a Catholic school has as its basic purpose the teaching of responsibility to God, to self, and to others. An effective discipline code contributes toward establishing a proper educational atmosphere in school thereby promoting personal, social, academic and spiritual growth.

Students expect to attend classes in a well-ordered atmosphere conducive to learning. This presupposes clean, healthful surroundings in an environment of Christian concern. Regulations are developed to support the student in the pursuit of self-discipline and the development of mutual respect and trust.

School is a formal social situation; therefore, the right of the majority to learn always supersedes the right of the individual to disrupt. Violations of the rights of others incur automatic consequences and each student is expected to know this and to assume responsibility for his/her actions.

While the Assistant Principal for Student Services is directly responsible for overseeing and coordinating all discipline efforts, discipline is the responsibility of everyone — students, parents, administration, faculty, and staff. Students, staff, and faculty should, through their own behavior, reinforce the ideals expressed by the code and encourage every student, staff, and faculty member to do likewise.

This handbook constitutes a contract of the school with parents and students. School jurisdiction in academics and behavior is detailed in the handbook but not limited to it. Additional policies developed by the Archbishop Carroll administration are equally binding. School jurisdiction is not limited to school hours or school property. **A student at Archbishop Carroll High School is considered a student 24 hours a day, seven days a week, and twelve months a year.** Any behavior in which the school reputation may be affected falls under school jurisdiction; this includes any fighting or misconduct that involves Archbishop Carroll students. **Students involved in behavior contrary to school policy or school philosophy are subject to the same academic and disciplinary policies that regulate the school day and the school grounds, including the possibility of dismissal.**

- **Conduct Grades**

Conduct grades are recorded numerically; one point is deducted for each demerit from a possible grade of 100. Conduct grades are determined at the first and second semester. **A conduct grade below 85 is considered unsatisfactory.**

- **Conduct Failure**

If a student receives a conduct grade of less than 70 that student has failed conduct for the semester and will be placed on probation for the following quarter. The student may lose the privileges of athletics, activities, and dances. A parental interview will be required. A fourth quarter failure will result in either probation for the following year or dismissal.

- **Demerit/Detention System**

Violation of school regulations results in demerits and/or detentions. Both are cumulative for the school year. **The number of demerits/detentions assigned for *some* infractions is listed below; however the school administration makes the final decision regarding sanctions and applications.** In this code any demerits/detentions should be cause for concern for both the parents and the students.

In addition to demerits and/or detentions, the school may require that students perform an appropriate amount of hours of community service either at Archbishop Carroll or at an outside entity. Detentions are to be served starting the day after the offense was committed.

Demerits and detentions will be assigned based on the severity of the infraction. Examples of the levels of infractions and the demerits associated are as follows:

Students who fail to attend detention when assigned are subject to additional demerits/detentions.

- In the event of emergency conditions, parents and students will be notified by **Constant Contact**. Parents and students should also listen to the local news stations and websites

for official information. The announcement *“All Philadelphia public and parochial schools are closed”* does ***NOT*** apply to Archbishop Carroll.

- At times, Archbishop Carroll might have school, yet the student’s local public school district will not provide transportation. In that case, students are expected to come to school via alternate means.
 - If your school district provides transportation, wait for the district bus to bring you to school. If your district is on-time, but Archbishop Carroll is on a delay, there will be supervision for you when you arrive at school. If your district is on a delay but Archbishop Carroll is on-time, please wait for your bus and then proceed to the Office for Student Services upon your arrival.
 - Sague bus riders operate on the same schedule as Archbishop Carroll.
- In the event of an EARLY DISMISSAL due to inclement weather:
 - Archbishop Carroll will dismiss students on their public school district buses when contacted by that school district.
 - Archbishop Carroll has no control over the school districts’ respective decisions, but will have personnel on-site until all students have safely departed Archbishop Carroll.
- If inclement weather is predicted, Archbishop Carroll strongly encourages student drivers to utilize alternate transportation (district busing, parent transportation) to and from school.
 - In the event of inclement weather, student drivers will only be dismissed early if their school district dismisses early, or if a signed early-dismissal note is provided by a parent/guardian.
 - For the safety of your son or daughter, a phone call or e-mail is not acceptable.
 - The signature provides an extra level of security to know that we have spoken to the correct guardian.
- If a parent or guardian is coming to pick up their child in inclement weather, please proceed to the Office for Student Services to sign your child out for dismissal.
 - A student will not be permitted to leave without a hand-written note or a parent present in the office.
- Please keep in mind, in the event of inclement weather that warrants an early dismissal, Archbishop Carroll’s main priority is the safe departure and arrival home of all of our students. In these instances we will follow the plan outlined above and work as diligently as possible to ensure that every student gets out of school and home safely.

THE SCHOOL ADMINISTRATION RESERVES THE RIGHT TO EXCLUDE STUDENTS ON ACADEMIC OR DISCIPLINARY SUSPENSION/PROBATION FROM ANY AND ALL SCHOOL ACTIVITIES/ATHLETICS USING THE SCHOOL NAME.

Students who commit one or more egregious offenses on or off school property may also be excluded from any or all school activities/athletics using the school name for up to one year.

Practices/contests may not begin before noon on Sundays or holy days of obligation. No practices/games may be held on Christmas, Holy Thursday, Good Friday and/or Easter Sunday.

FAILURES AND SUMMER SCHOOL

Archdiocesan policy stipulates that **seniors with final failures** (major or minor, required or elective) for the school year **do not participate in the baccalaureate or graduation exercises.**

Seniors with any failures for the year (including one-semester courses that end in January and/or June) must successfully make up those failures in Diocesan Summer School in order to receive the diploma.

Underclassmen with one or two failures for the year must successfully make up those failures ON-LINE through the Diocesan Summer School in order to return to Archbishop Carroll High School in September. All on-line remediation courses are paid for by the student.

Failed courses may not be retaken the following year. Students with three or more academic failures for a final grade may be liable for dismissal.

Archdiocesan regulations also state that students with excessive absences do not successfully complete the school year until they make up the time they have missed in Diocesan Summer School. This applies even if the student has no academic failures. In this case, the student attends the classes in which he/ she received the lowest grade. Diocesan Summer School is held in an on-line environment.

GRADING AND REPORT CARDS

The highest report card grade that may be given is 100; the lowest passing grade is 70; and the lowest “recorded” failing grade for a marking period is 60. The use of an earned grade less than 60 to calculate the average requires the explicit permission of the Principal.

- **QUARTER GRADE** is determined by the teacher and, depending on the academic discipline, will include major tests, projects, quizzes, term papers, homework, and classroom participation. At least **three** major marks are included in the quarter grade; major tests are distributed over the quarter and returned to the student in a timely fashion so that the student is aware of his/her progress.

- **SEMESTER GRADE** is the average of the two quarters. First semester [average of first quarter and second quarter]; Second semester [average of third quarter and fourth quarter].

FINAL EXAM: Students will take a final exam in all subject areas during the final weeks of school. These exams will constitute 10% of the student's final grade for the Year. A grade below 60 can be awarded for a final exam.

- **FINAL GRADE** is the average of the two semester grades: first semester = 45%, second semester =45%; final exam = 10%.

Students who alter or forge the report card are liable for detentions and/or demerits.

- **ON-LINE GRADING**

Archbishop Carroll High School utilizes an on-line grade reporting system: PowerSchool. Information will be provided for parents and students at the beginning of the academic year. This system gives the student and parent information quickly. Students and parents are responsible for keeping track of grades and should direct any questions about posted grades to the specific teacher.

GRADUATION CEREMONIES

Participation in the commencement exercises in a diocesan high school is a privilege. Only those students who have completed all requirements for a diploma may participate.

Students may be excluded from participation in the commencement exercises and denied a diploma for any of the following:

- Archdiocesan policy stipulates that seniors with final failures (major or minor, required or elective) for the school year do not participate in the Baccalaureate or Graduation exercises. Seniors with any failures for the year (including one-semester courses that end in January and/or June) must successfully make up those failures in Diocesan Summer School in order to receive the diploma.
- A discipline failure or major breach in Archbishop Carroll High School's discipline code
- An egregious offense on or off of school property
- Failure to comply with rules/regulations governing graduation, etc.
- Excessive absences (22 or more days)
- A failure to fulfill financial obligations (all tuition and fees)

ALL QUALIFIED SENIORS MUST ATTEND PRACTICES AS WELL AS CEREMONIES FOR BOTH BACCALAUREATE AND GRADUATION.

THE GRAYSON SCHOOL

The Grayson School shares our campus. Archbishop Carroll students will respect the areas used by the Grayson School by not entering them. Archbishop Carroll students are also expected to treat The Grayson School students, faculty, and staff with respect.

The entrance to The Grayson School is the door from the East Parking Lot into the East Academic Tower. The Grayson School sign is on this door. A new swipe system has been installed on this door. This entrance is for use **ONLY** by Grayson teachers and staff. ***Carroll swipe cards will no longer work at this door.*** Carroll faculty and staff must now enter and exit through the doors by the East Gym when parking in the East Lot. Student parking will be in the West Lot only.

The primary location of The Grayson School is the entire first floor of the East Academic Tower. In addition, there are three classrooms on the second floor of the East Tower, Room 201, as well as specific times when the Gym and a Science Lab will be designated for Grayson's use.

GROUP TRAVEL AND STUDY

Diocesan policy clearly states that no diocesan high school, individual department, extra-curricular club, or school-related organization may sponsor or organize travel-study programs either for teachers or students. Therefore, Archbishop Carroll or any diocesan high school will assume no responsibility or liability for any students who participate in such programs.

GUIDANCE AND COUNSELING CENTER and CARROLLU

Guidance is concerned with the educational, emotional, and social development of all the students in relation to their total school experience. It is a coordinated effort involving students, faculty, parents, administration, and specialists as needed. To help each student realize his/her potential, the Guidance/CarrollU Department offers group and individual counseling, personal, academic, college and career counseling, assistance with the college application process, help with study skills and decision making, and referrals when necessary. Assistance is offered through the Guidance Department to help students make informed decisions concerning personal issues, academic problems, selection of a career or vocation, selection of a college, university, trade/technical school, or military service, identification of and application for possible sources of financial aid, including scholarships, loans and grants, and part-time or full-time employment.

Every student will be interviewed at least twice during each school year but students are encouraged to set up appointments with their counselors whenever they feel it is necessary. Appointment slips will be delivered in the homeroom. If a test or quiz is scheduled for that appointment time, the student should contact the counselor to reschedule a time that will not

interfere with the educational process. Otherwise the student is expected to attend the scheduled meeting.

Counselors at Archbishop Carroll are available during the school day for consultation with parents and students. Appointments may be arranged by calling the Guidance Office, 610-688-7610, extension 171, or emailing the counselor directly.

- **Guidance Staff**

Director [Full-time]	Ms. Marguerite DiMattia
Advisor [Part-time]	Mrs. Meredith Fleming
Advisor [Full-time]	Mr. Francis Lynam
Math Specialist (DCIU Staff) [Part-time]	Mrs. Kelly Schwartz
Reading Specialist (DCIU Staff) [Part-time]	Mr. Jim Denny
Psychologist (DCIU Staff) [Full-time]	Ms. Suzanne Mallaghan-Rasco
Administrative Assistant [Full-time]	Mrs. Theresa Nardelli

*DCIU staff are provided by the Delaware County Intermediate Unit

- **Guidance Resource Center**

Students and their parents are encouraged to use the Guidance Resource Center to review college materials. Several computers are available with Internet access. Students are asked to make appointments one day in advance if they wish to use the Guidance Resource Center. Parents may make appointments by calling extension 171.

- **AFFIRM**

Archbishop Carroll recognizes the need to intervene in a crisis situation involving its students where there is evidence of self-destructive behavior. The AFFIRM Team (Student Assistance Program) is an intervention program with an emphasis on drug and alcohol use. The team is made up of counselors, teachers, administration, and the school nurse. The team works together to identify *high-risk* students whose behavior may be dangerous to themselves or those around them. Anonymous referrals may be made by students, parents, faculty, and staff through the Guidance Office.

GUM

Students are forbidden to chew gum at any time in the school building.

GYMS/WEIGHT ROOM

Students may use the gyms/weight room only when the faculty/staff or the coaching staff is present to supervise. Permission to use the facilities for events other than practices or games must be granted in advance by the Athletic Director. Gym shoes or sneakers must be worn when

using the gym facilities. Take proper care of the gyms and gym equipment. The facility should be left exactly as you found it.

HALL PASSES

Hall passes are required by students traveling through the building during class periods. Students must exchange their ID card for the teacher's **Hall Pass**. Any student walking the halls without a pass will be considered out of bounds and will be subject to appropriate disciplinary action.

HARASSMENT & BULLYING

Harassment in any form is unacceptable conduct and will not be tolerated. Any pervasive, unwelcome action, physical, verbal, or written, which has the effect of disrupting the normal and appropriate activities of a teacher, student, staff member, or anyone within the school community, is prohibited by this policy.

Harassment because of a person's sex, race, age, national origin, or disability is particularly egregious. Accusations of such harassment will be thoroughly investigated and appropriate sanctions will be imposed on individuals found to have violated this policy.

Examples include:

- Threatening adverse action if sexual favors are not granted;
- Promising preferential treatment in exchange for sexual favors;
- Unwanted physical contact;
- A pattern of offensive remarks such as unwelcome comments about appearance or clothing, obscene jokes, sexually explicit or racially/ethnically offensive language;
- Display of sexually suggestive or racially/ethnically offensive objects or pictures;
- Unwelcome notes, e-mails and other communications that are sexually suggestive or racially/ethnically offensive.

Any student who feels he/she has been subjected to harassment should bring the matter to the immediate attention of the Assistant Principal for Student Services. If the student is uncomfortable for any reason discussing the matter with the Assistant Principal for Student Services, the student should report it to the Principal, another Assistant Principal, or Guidance Counselor.

All allegations of harassment will be investigated promptly and in as confidential a manner as possible. When warranted appropriate action will be taken, up to, and including, dismissal. Retaliation in any form against anyone for making a complaint under this policy or for

participating in an investigation is strictly prohibited. Any retaliation should also be reported pursuant to this policy and is itself a cause for disciplinary action.

Archbishop Carroll High School is committed to providing a compassionate, safe, and non-threatening atmosphere in which each student can learn and succeed. We have adopted a strong policy against bullying, meaning that bullying of any sort is unacceptable in our school community. If bullying does occur, students should be assured of the fact that all incidents will be addressed quickly.

We also expect that anyone, whether student, faculty, staff, or family member who witnesses, or has knowledge of an incident of bullying, will report the incident to the administration or the Guidance Office immediately. Bullying is a form of harassment and subject to the same sanctions established by the Archdiocese of Philadelphia.

- Archbishop Carroll is located in Delaware County and in this county all threats of violence become police matters.
- If a student is presently attending or applying to Archbishop Carroll and is found guilty of a juvenile or adult crime, the student is liable for dismissal from Archbishop Carroll ***or*** may be refused admittance to Archbishop Carroll.

HEALTH ROOM

If a student becomes ill during the day, he/she should report directly to the Nurse. If the Health Room is closed, the student should report to the Office for Student Services. When the student returns to class, the student will give the teacher a signed pass from the Nurse. If a student is sent home by the Nurse, he/she must give the pass to the Office for Student Services.

Under no circumstances are students to call home for transportation because of illness. The Nurse will judge if a student is to be sent home, and will contact the parents or guardian directly. Students who violate this policy may be subject to demerits, detentions, or other consequences from the Office for Student Services.

Physicals

- Archbishop John Carroll High School requires a physical examination, including all immunizations, for **all new students** to Archbishop Carroll and **all eleventh grade students**. Physical forms are due the first day of school (Forms are available online).
- Physical forms for athletic participation are required by the PIAA Association and are different from the school physical requirements. These forms are obtained in the Athletic Office or on the Archbishop Carroll website.

- Please keep the school nurse informed of any medical changes, treatments, or immunizations that your child has received so that his/her health record is current. Up-to-date information is essential in all emergency situations.

Immunizations

- Proof of immunization means a written record showing the dates (month, day, and year) your child was immunized.
- Children in ALL grades (K-12) need the following vaccines:
 - 4 doses of tetanus [usually given as DTP or DT or Td]
 - 4 doses of diphtheria [usually given as DTP or DT or Td]
 - 3 doses of polio
 - 2 doses of measles [usually given as MMR]
 - 2 doses of mumps [usually given as MMR]
 - 1 dose of rubella [German measles]
 - 3 doses of hepatitis B
 - 2 doses of varicella (chickenpox) or evidence of immunity
 - For 7th grade: 1 dose of Tdap and 1 dose 1 dose meningococcal conjugate (MCV) vaccine
 - For 12th grade: 1 dose of MCV; if one dose was given at 16 years of age or older, that dosage shall count as the 12th grade dose

The only exemptions to the school laws for immunization are: 1) medical reasons; 2) religious beliefs; or 3) philosophical/strong moral or ethical conviction.

- If your child is exempt from immunizations, he/she may be removed from school during an outbreak.
- Pennsylvania's school immunization requirements can be found in 28 PA Code Ch.23 (School Immunization).

Keep a record of your child's immunizations. Keep this record in a safe place. Your doctor's office, medical clinic, or hospital may ask for this record. As your children become adults, they may need the record for college, job, or travel.

Medications

- The only medications that are on hand in the Health Room for students are Acetaminophen (Tylenol), Ibuprofen (Advil/Motrin), and Tums. Parental permission must be given before any of these medications can be administered.
- Over-the-counter medication, other than the ones mentioned above, along with prescription medications, will not be administered in school without specific orders from a physician and a parental signature.

- Students are not permitted to carry or self-administer any medication, even over-the-counter medications, without written permission.
- For students who have medication that they self-administer (insulin, inhalers, epi-pen, etc.), the following still applies. It must also be noted by the physician that the student is to self-administer the medication according to all details that follow. The Medication Administration Form (available online) must be completed and should accompany the prescription to be kept on file in the Health Office for the current school year. Medication should be brought to the school nurse in the original container which includes the following information on the label: student's name, the date the prescription was filled, medication name, time and dosage to be administered, and the name of the prescribing physician.
- Each school year the paperwork must be updated.
- At the end of the school year, remaining medications should be picked up before the last day of school; otherwise they will be destroyed in the presence of a school administrator.
- Please notify the school nurse of any medication changes.

Allergies / Asthma / Diabetes

- All students who have asthma and/or allergies, either mild or severe, have the option of keeping a back-up inhaler and/or epi-pen in the Health Office. This is advisable because students might get separated from their medications. This can happen even to the most responsible student. If you wish to have an extra inhaler and/or epi-pen in the Health Office in case of an emergency, please turn in the proper paperwork and medication to the school nurse.
- Diabetics should also have extra supplies in school just in case the student runs out or is separated from his/her supplies. Please contact the school nurse to discuss this individually.
- Parents whose child has specific health concerns are advised to schedule an appointment or a phone conversation with the school nurse before the start of school.

Medical Concerns

- Please be advised that if you choose to disclose your child's medical information to his/her teachers, there are two options for communicating this information: 1] You may notify the teachers directly; or 2] You can notify the nurse by email or phone and have the nurse pass this information to the teachers.
- Because of legitimate concerns over issues of confidentiality expressed in the HIPPA and FERPA guidelines established by the federal government, you have the right to decide how the school is to handle your child's personal medical records. There is no blanket policy set by the school to alert teachers of a student's medical issues.

- Outings or excursions that take students away from the school setting can be fun for the teachers and students alike. When your child or student has an outing that takes them off campus either for several hours, a day, or several days, please always make arrangements for their medications and all health care needs ahead of time. Students who have diabetes, allergies (Epi-Pens / Benadryl), cardiac conditions, asthma and/ or seizures are responsible to have their own medications and ample supplies with them throughout the entire field trip. If your child has daily medications, parents/guardians should make provisions that medications are available to the student when such an outing is scheduled.
- As always, please feel free to contact the school nurse at 610-688-7610, extension 155.

IDENTIFICATION/SWIPE CARDS

All students will be provided with one ID card at no cost to the student. This ID card will grant the student access to the building. Students are responsible for these cards. **All students are required to wear the ID card on a lanyard around their neck at all times in school.** The loss of the ID card must be reported at once to the Student Services Office where a new card will be issued. The charge for replacement is \$20.00.

LEAVING SCHOOL PROPERTY

Archbishop Carroll High School maintains a closed campus. Students are not permitted to leave the school property from the time they arrive in the morning until they are officially dismissed at the end of the day. Any student found going to their vehicle or leaving school grounds during the day without permission will be considered out of bounds. Students with early dismissals should leave the school grounds promptly and not loiter in the parking lots. Those who remain, because of transportation or activities, **MUST** report to the Hageney Student Union or School Cafeteria immediately upon dismissal.

LECTURE ROOMS

Room 200 is not to be used as a thoroughfare from one floor to another. Traffic between the first and second floor should be confined to the main stairways.

LIBRARY DATABASES

The library also has a variety of computer databases. We also subscribe to Noodletools which helps students with research papers and MLA format. All of these resources are accessible through www.jcarroll.org under the tab Library Databases. Passwords for home use and further instructions are available. Please ask for a brochure. Passwords are also posted in the library and computer lab.

LOCKS AND LOCKERS

Lockers are the property of the school and may be inspected at any time. A school locker will be assigned to each student for use throughout the school year. Sharing of lockers is not acceptable. Lockers must be locked at all times with school locks. A lock is provided to each freshman and to each new student as part of the school fee. [Replacement locks are \$5.00.] The Assistant Principal for Student Services will remove and discard any unregistered or non-regulation lock. Gym lockers are for the storage of sports equipment ONLY. Students are responsible for the contents of their lockers. Archbishop Carroll is not responsible for lost or stolen items from a student's locker. Students are urged not to bring valuables to school.

LUNCH PERIODS

No food or drink is permitted outside of the School Cafeteria or Hageney Student Union during regular school hours (7:45 am – 2:25 pm). **Students are not permitted to bring any food or drink into the homeroom or any other class without permission from the Nurse's Office.**

During their lunch period, students must report promptly to the CAFETERIA. No student should report to the Library or to a teacher without reporting to the Cafeteria first. Students are to follow all procedures set by the Cafeteria Moderators. Further, students are responsible to clean their own assigned area and share the responsibility for wiping tables, sweeping, etc. After eating, students may go outside with a Moderator except during inclement weather.

The baseball field, the football field, both parking lots and all alcoves are out of bounds. No student may leave the Cafeteria area before the end of the period without the permission of the Cafeteria Moderator. Students must always sign out in the log book if they need to leave the Cafeteria for any reason.

MAKE-UP WORK/INCOMPLETES

If a student is absent from class **the student** is responsible for contacting each subject teacher to make up work from the classes missed.

If, because of illness, a student will be **absent for an extended period of time** (one week or longer) assignments should be requested from the Office for Academic Affairs. Completed assignments should be returned to each subject teacher by the due date assigned. Additional assignments will not be issued until the prior assignments are returned. It is the responsibility of **the parent** to contact the school and to monitor the completion and return of assignments.

Students absent for **fewer than five days** are to contact peers for assignments and/or check on-line, and then to speak to the subject teacher upon return to school.

Teachers are not obligated to give make-up work, tests, or assessments to students who are suspended or miss school time to go on vacation or to athletes who miss school to attend unendorsed camps or events. No vacations are to be scheduled during the academic year.

Students who are requesting a **Medical Incomplete (I)** for a marking period, semester exam, or final grade must provide documentation from a doctor specifically stating the following:

- The medical reason for the request,
- The skills affected by the medical condition (e.g., “cannot use a computer screen”, cannot read for more than 15 minutes without a break”),
- The length of time during which a student may need work to be modified and/or during which he or she may not be able to complete specific academic assignments.

During the medical period, no student may be permitted to be involved in any extra-curricular activities until the time he or she is cleared to complete all academic work. Also, a Medical Incomplete cannot be retroactive, once a grading period has closed, we will not change a grade based on medical documentation submitted after the final, marking period, semester, or exam grade has been entered by the teacher.

An **“I” is a non-grade**. It indicates that the student was incapable of completing work or the work had to be modified to a documented medical condition. An “I” is not counted in the GPA and credit will not be awarded for a course if the final grade is an “I”. We reserve the right as an academic institution to attach a letter to any transcript describing the work which was or was not completed by the student. The purpose of this letter grade is to represent the course accurately and to maintain the school’s academic integrity.

LIBRARY/HAGENY STUDENT CENTER

The Library is open to students daily from 7:30 a.m. to 5:00 p.m., with the exception of Fridays when the Library is open until 2:30 p.m. If for any reason the Library is closed, it will be announced. Students are requested to help maintain an academic atmosphere, by bringing work with them, and treating the space with respect.

Students who do not respect the rules of the Library and the after-school Library Moderator may be issued demerits or may not be permitted to remain after school. In the event that this occurs, the parent/guardian will be contacted.

NATIONAL HONOR SOCIETY

Basic Requirements for Eligibility:

- A student must have been in attendance at this school for a period equivalent to one semester.
- Any junior or senior, who has a minimum cumulative grade average of 93.5 or above, and is in the top 20 % of their class, is notified that he/she is **scholastically** eligible.
- Additionally, to be considered, a student must have the approval of the Principal and the Assistant Principal for Student Services. A student who has accumulated thirty or more demerits for the previous year may be disqualified from consideration.

Selection of Students for National Honor Society:

- Students must complete all application forms and submit them to the moderator by the due date. These will include service activity forms as well as teacher recommendation forms.

If the activity is only for a season, then there should be at least three activities. The activity should meet with frequency. Single day events may be used as an example of the service activities of a particular organization but cannot be considered as cumulative.
- If all basic eligibility requirements are met, a student is **considered** for membership on the basis of character, leadership and service to the school and/or community, as determined through faculty and staff input.
- Candidates receiving a MAJORITY vote of the Faculty Council will be inducted into the chapter.
- A Faculty Council of five voting faculty members (the Chapter Adviser is an ex-officio non-voting sixth member) meets to review the Student Activity Information forms, the faculty evaluations, and any other verifiable information about each candidate.

“While the academic criterion is important and should be considered first, membership should never be considered on the basis of grades alone . . . Schools that select membership solely on the basis of scholarship are violating the Constitution and placing their Chapter in jeopardy.” [NHS Handbook]

Membership Requirements:

- A student must maintain his/her academic standing.
- A student must present a verified service sheet indicating at least five hours of service per quarter. These activities may be school, parish, or community-related.
- A student must attend Seventh Grade Visitation Day and at least one Open House.

- If a member misses two meetings, he/she will be put on probation. Excused absences are given by the moderator only.
- A member must conduct himself/herself in a manner befitting an outstanding member of the student body.
- A member must uphold the mission of the school.
- A member is expected to participate fully in all NHS activities including, but not limited to tutoring, Career Day, and the Dodgeball Tournament.

Dismissal from NHS:

 - Drops significantly in class rank
 - Accumulates 20 or more demerits
 - Fails to attend two tutoring sessions to which he/she was assigned
 - Does not complete required service activities
 - Misses two or more general meetings without excused absence
 - Fails to comply with the school's policy on **Educational Integrity**
- If a student is to be placed on probation both the student AND his/her parents will be called and notified in writing.
- All cases of dismissal will be reviewed individually by the NHS moderator and the school Administration.
- If a student is to be dismissed both the student AND his/her parents will be called, notified in writing, and asked to attend a conference with the NHS moderator, the Assistant Principal for Student Services, and the Principal.

NAVIANCE

Archbishop Carroll has subscribed to Naviance, a web-based college search and planning tool that allows students and families to investigate, research, track, and plan for the college admission process. Students can search for scholarships, explore careers, take interest inventories, investigate their learning style, and ultimately apply to college. College visit information is also available in Naviance.

PARENT-TEACHER-STUDENT MEETINGS

When a failure occurs or poor performance is indicated, the teacher should request a meeting with the parent(s) and student. The meetings provide an opportunity for all involved to discuss the steps required for the student to improve his/her academic performance and grades.

PERSONAL PROPERTY

Students are responsible for their books, clothes, and other personal property. The school assumes no responsibility in this regard. All items should be marked clearly and indelibly with the student's name. When using the gym locker rooms, students are to lock all valuables in the lockers provided for that purpose. Any books, school bags, etc. that have inappropriate or suggestive writing and/or images will be confiscated.

POSTERS, LEAFLETS, FLYERS

No literature of any type (posters, leaflets, flyers, handbills, etc.) may be posted, distributed, or sold anywhere on school property without the approval of the Assistant Principal for Student Affairs.

PREGNANCY, ABORTION, AND AIDS

Policies on pregnancy, abortion, and AIDS are on file in the Office of the Principal.

PROGRESS REPORTS AND FAILURE WARNINGS

Progress Reports are issued electronically at the midpoint of each quarter. All students and parents will receive their Progress Reports electronically on the dates listed on the calendar.

These reports provide teachers with the opportunity, if they choose, to comment on a student's academic performance. Additionally, in keeping with Archdiocesan policy, **failure warnings for a semester or final failure are indicated on the Progress Report.** A failure warning may be issued later in the marking period if the student's academic performance deteriorates dramatically, but will also be followed up by a teacher contact with the parent/guardian.

PROMS/DANCES

Participation in school activities including the class prom/dance is a privilege and may be revoked due to behavioral issues. Should a student fail discipline in either or both semesters, that student will be ineligible to attend his/her class prom/dance or any school dance. **The administration reserves the right for all final decisions on this issue.**

PUBLICITY

To promote and market our school and school events, contact with the media may occur. Many times this contact takes the form of an interview, press release, picture, or web site posting. These materials may include, but are not limited to, the school yearbook, newspaper, video productions, advertising material, student accomplishments, and/or external publicity. The school assumes the unqualified right to use these materials in an appropriate manner. Students and parents should be aware of this policy and accept its conditions.

RELEASE OF RECORDS

Parents/Guardians requesting a release of records to another educational institution must sign a release of records form and bring the student's financial account up to date. Students with delinquent tuition payments, as well as unreturned school books and/or unpaid equipment fees *will not receive* TRANSCRIPTS for transfer to another high school and/or for college admission. In addition, DIPLOMAS, FINAL REPORT CARDS AND ROSTERS for a new school year *will be retained until all financial responsibilities have been satisfied.*

REPORT CARDS

Report cards are processed electronically four times a year. In addition to grades, the report cards provide an opportunity for teacher comments; the report also contains the student's absence, lateness, and conduct history. Report cards are distributed in November, February, and April; *final report cards are mailed to the parents at the end of June, if all financial obligations have been met.*

Unlike Progress Reports, Report Cards are retained by the parents. Pastors of Roman Catholic parishes receive copies of their students' academic reports. Only the first semester grade and the final grade in June appear on the student's permanent record card which becomes the transcript. The record of absence and lateness (but not conduct) is also part of the permanent record.

TECHNOLOGY

- **RESPONSIBLE USE POLICY FOR TECHNOLOGY**
 - **Preamble - Catholic Schools of the Archdiocese of Philadelphia (Revised May 2019)**
The heart of our curriculum is timeless ~ love, truth, beauty, mercy. We teach about

creation as well as the Creator. We educate on being in solidarity with those who suffer and how to cultivate a prayerful life.

In his message for the 48th World Communications Day, Pope Francis said that technology is a “gift from God.” The Pope challenged the Church to use this tool to promote the faith, asking how communication can “be at the service of an authentic culture of encounter?” Because of these things we are committed to participating in society. And to be committed to such participation requires using technology in appropriate ways.

We are interested in technology because of our faith.

We expect our students to utilize technology to think more critically, to communicate effectively, to express their creativity, and to conduct research. Our teachers have access to updated technology in their classrooms to engage our students and challenge them to learn in ways not previously imaginable. We empower students with the technical skills necessary to participate in a culture that is increasingly dependent upon technology, while also challenging them to be digital ambassadors spreading the Good News.

But it is our faith that guides how we use technology.

We teach our students about the ethics of technology and train them to be savvy about things like Internet privacy and safety. We teach the unfortunate reality of technology addiction. We remind students and parents that technology is aggressively marketed and to be careful about getting caught up in the hype.

We also acknowledge that we sometimes need to “unplug” from technology as it can cause us to become isolated from one another. We encourage family meals without screen time and the importance of communicating face to face.

We greatly value technology in our schools. And what makes technology most powerful, is when it serves to make our students better people!

○ **PURPOSE**

Technology is a valuable and real-world educational tool. **All Archdiocese of Philadelphia schools will educate all students about appropriate online behavior, including: interacting with other individuals on social networking websites and in chat rooms, cyber bullying awareness and response to ensure an appropriate use of technology.** The policy outlined below applies to all technology use including but not limited to Internet use. The Responsible Use Policy for Technology (RUP) applies to all students, faculty, administrators, staff, volunteers or community members allowed access to school technology resources. In some cases, outside or personal uses of technology may be applicable under this policy.

○ **SCOPE OF USE**

We recognize that the digital world allows anytime, anywhere access. Uses mentioned in this policy apply to **inside** school use and may in certain instances apply to personal technology use and/or uses **outside of school**. Where personal outside use of technology threatens a likelihood of substantial disruption in school, including harming or interfering with the rights of other students or teachers to participate fully in school or extracurricular activities, these activities may be viewed as a violation of the Responsible Use Policy and may be subject to the disciplinary measure found herein.

N.B. The types of electronic and digital communications referenced in this RUP include, but are not limited to, social networking sites, cell phones, mobile computers and devices, digital cameras, text messaging, email, voice over IP, chat rooms, instant messaging, cloud, and web-based tools.

○ **GOAL**

The school's goal is to prepare its members for a responsible life in a digital global community. To this end, the school will:

- Integrate technology with curriculum to enhance teaching and learning.
- Encourage critical thinking, communication, collaboration, creativity, and problem-solving skills.
- Facilitate evaluation and synthesis of information.
- Encourage ethical practices and provide education for Internet safety, digital citizenship and the creation of a positive digital identity.
- Provide a variety of technology-based tools and related technology skills.

○ **RESPONSIBILITIES OF USER**

Our schools will make every effort to provide a safe environment for learning with technology including Internet filtering and safeguards. The students, faculty, administrators, staff, and school community are granted the privilege of using the computer hardware and software peripherals, and electronic communication tools including the Internet. With this privilege comes the responsibility for appropriate use.

In the Archdiocese of Philadelphia, we use information and technology in safe, legal, and responsible ways.

We embrace the following conditions or facets of being a digital citizen.

TUITION

- **TUITION RATES AND FEES FOR 2020-2021**

Tuition for all classes is \$8850.

Families with two or more students in Archdiocesan high schools pay full tuition for two students, thus when three or more students in the same family are in high school at the same time, each receives a discount.

If your tuition account does not reflect this discount, please provide the tuition office with a list of students' names, their grade, and high school.

The family rate does not apply to students in parish schools or in private high schools.

- **TUITION PAYMENTS**

Tuition payments are not collected by the tuition office. All payments, made by credit card, direct debit to your bank account, or by mail, must be handled by FACTS Tuition Management. Parents may access their accounts by logging on to *factsmgt.com*.

Tuition payments will be billed over an 11-month period from June through April. The school fee will be spread over the eleven month payment schedule, as well. Tuition may also be paid in full in July; in half payments in July and December; in quarter payments in July, September, December and February. The yearly setup fee of \$42 will be billed to your account in June, or your first month of billing.

Checks must be made payable to FACTSTuition Management and must include your 9 digit FACTS agreement number. Mail payments to FACTS Management Company, P.O. Box 2597, Omaha, NE 68103-2597. Please allow several days for the payment to post to your account. A late fee of \$30 will be charged to your account each month the balance due is not paid by the invoice due date. Please call FACTS customer service number, 1-866-441-4637, should you have questions regarding your account.

- **NON-REFUNDABLE FEES**

Students pay three additional mandatory non-refundable fees per year.

- **For 9th, 10th, 11th grade students, these fees are the computer insurance, school, and registration fees.**
- **For 12th grade students, they are the computer insurance, school, and graduation fees.**
- **The School Fee** of \$1400 per student is spread over the eleven-month schedule. The fee funds internal administrative and academic expenses, supports various student activities and clubs, pays for student accident insurance, and covers the cost of required textbooks for English and Theology. A portion of the school fee is also earmarked for updating technological education and hardware. We will continue to offer free admission to regular season home football and basketball games, wrestling matches, the Fall and Spring Theater productions, and the

Homecoming and Snowball dances. The student I.D. is required for admission to these events.

- **The Registration Fee** is \$225 and is due at the time of enrollment for all new students and in February for all current students who plan to continue their enrollment for the next school year. This fee assists in covering expenses that the Office of Academic Affairs incurs in preparing and maintaining the school curriculum.
- **The Senior Graduation Fee** is \$275 and is due in January to cover graduation expenses and a copy of the school yearbook.
- **The Computer Insurance Fee** is \$100 and is due in August. Chromebook manufacturer defects **only** are covered by this fee.

Students who participate in athletics, theater productions, band and students who take AP courses will be required to pay additional fees, which will be billed on your FACTS tuition account.

- **The Athletic Fee** for ultimate frisbee is \$235. The athletic fee is \$275 per athlete for baseball, basketball, cross country, field hockey, golf, indoor track, outdoor track, soccer, softball and volleyball. The athletic fee for lacrosse is \$325. The athletic fee for tennis is \$360. The athletic fee for cheerleading, swimming and wrestling is \$400. The athletic fee for football and fencing is \$425. Spring Crew (rowing) fee is \$975; second, third, and fourth child in the family pay half price. Fall Crew is \$375 per athlete; novice Crew is \$275 per athlete. Fall sports fees are due with the September or October FACTS tuition invoice, winter sports fees are due with the December FACTS tuition invoice; spring sports fees are due with the March FACTS tuition invoice. Please note that some sports require an equipment resale fee for items kept by the athlete, which is **in addition to the athletic fee**. Head coaches will collect this fee before distributing equipment. Failure to pay athletic and resale fees by the end of the season may jeopardize the student's eligibility to participate in another sport.
- **A Drama Fee** of \$260 per show for each student actor, dancer, and chorus member is required to offset the cost of each production. The drama fee for stage crew is \$200 per show to offset the cost of materials. The drama fee for band pit crew is \$110 per show to offset the cost of materials.

- **A Band Fee** of \$110 is required to offset the cost of materials for students participating in a musical group outside of the normal academic setting, including but not limited to marching band, concert band, string ensemble or jazz ensemble.
- **TUITION ASSISTANCE AND SCHOLARSHIPS**

Although tuition continues to be an excellent value as compared to the tuition in other dioceses and in private schools, we realize that it puts a serious strain on some budgets. In order to assist families in providing for a Catholic school education, the Tuition Assistance Program (TAP) and BLOCS have been established. Tuition assistance for 2020-2021 has already been determined.

Parents seeking financial aid for 2021-2022 must complete a FACTS Grant & Aid application between October 1, 2020 and March 15, 2021, submitting the required tax returns to verify income. The application process is not intended to intimidate, rather, it ensures that the amount of aid given to each family is objective and that as many students as possible receive help. The tuition assistance application is available on our website, www.jcarroll.org on the Tuition page or on the FACTS Tuition Management website: www.factsmgt.com. There are no paper applications, you must apply online. **Families currently receiving tuition assistance must reapply for the next school year.**

If a student receives a scholarship or tuition assistance from other sources, the Archdiocese reserves the right to reduce the TAP grant so that these funds may be allocated to other students. Notification of adjustments to TAP awards will occur by August 15th or within 30 days of the school's notification of other awards.

If a student receives a scholarship or grant, it will be allocated to the student's account each month beginning in June and ending in April. Parents/guardians are responsible for paying the amount due each month to keep the tuition account current. If the student withdraws during the year, the full amount of the grant or scholarship **will not** be credited to the student account; the amount will be prorated based on the time the student has been enrolled.

- **TUITION LOANS**

The school's Tuition Office can provide information on how to apply for educational loans which provide eligible borrowers with up to the cost of education including tuition,

fees, and related expenses. Interest rates and loan fees are based on your credit history. Banks or credit unions may provide loans for non-public school tuition.

- **TUITION REFUNDS**

Students who leave school prior to April 1st, either voluntarily or because of a violation of school policies, receive a prorated refund if they have paid tuition in advance of the transfer. No refunds will be given after April 1st of the school year, since the resources have been allocated for the student's education. In the event of a withdrawal, scholarship and grants are pro-rated in the same manner as tuition.

- **EXTENDED ABSENCE**

If a student is absent for any reason from school for an extended period of time, the parent or guardian is still responsible for the payment of tuition accrued.

- **DELINQUENT TUITION**

According to Archdiocesan policy, delinquency in payment of tuition and fees has the following results:

- No student will be permitted to start a new school year with any outstanding balance from a previous year. There will be **no exceptions to this policy**.
- Students may be dismissed for non-payment of tuition. **Any student with a 90 day delinquent tuition account will be withdrawn from the enrollment.** The student may be readmitted when the delinquent amount due is paid.
- Students may not begin the second semester unless they have made a minimum of five monthly tuition payments.
- Seniors who have not fully met their financial obligations may not participate in Baccalaureate and Graduation ceremonies and will not be granted a diploma.
- Students are not allowed to attend a class dance (Senior Prom, Junior Prom) unless payments to their tuition accounts are current.
- Students may not purchase a class ring or participate in any ring functions.
- Transcripts will not be released for students who are not current in their payments.
- Report cards will not be released if there is a past due tuition balance.
- Rosters for a new school year will not be released unless all tuition for the previous school year and the first two monthly payments for the new school year have been paid.

TUTORING/RESOURCE ROOM

Tutoring is available each morning starting at 7:30 am in the Library. Tutoring is done by National Honor Society students. The student needs to sign in when they enter the Library. A

Resource Room is available to students who need support. The room is open during the lunch periods. Math and English support will be provided by the Delaware County Intermediate Unit staff during the school day.

UNIVERSAL SEARCH POLICY

To protect the safety, security, and welfare of students and school personnel, school authorities may question and search a student, his/her personal effects, lockers, and vehicles used by the student. The school authorities will seize any illegal, unauthorized, or contraband materials discovered in the search.

Searches conducted by school authorities may include, but not be limited to, utilization of certified drug detection dogs or any devices used to protect the health, safety, and welfare of the school population. A student's refusal or failure to permit such searches and seizures as provided in this policy will be considered an admission of guilt and grounds for disciplinary action.

VISITORS

All visitors on official business must report to the Main Office, identify the purpose of their visit, sign in, and receive a visitor's badge. Upon conclusion of the visit, he/she must return to the Main Office to sign out and return the badge. No visitor is permitted to roam the building for any reason.
